The Day of Trumpets/Yom Teruah is the first day of the Latter Feasts of YeHoVaH. The Latter Feasts also encompass The Day of Atonements, the seven days of Tabernacle/Sukkot and its Firstfruits, and The Eighth Day/Shemini Atzeret. YeHoVaH commanded His people to celebrate these Feasts in commemoration of the deliverance from bondage that the Children of Israel experienced in the land of Egypt.

Over the centuries, many traditions have been incorporated into teachings on the Feast Day of Trumpets that has made it difficult for Believers today to discern and distinguish Biblical truth from the many traditions associated with the Day of Trumpets.

In this teaching, **Truth and Traditions**, I will reveal the truth associated with the Feast so that the traditions will be exposed.

First: The Truth

The Feasts of YeHoVaH and the Instructions on observing them were established by YeHoVaH in the Torah. Moses was given Instructions from YeHoVaH to deliver to Aaron, his sons, and the Children of Israel in order to conduct services unto Him at the appointed times.

These appointed times had to be done in the appointed seasons as prescribed by YeHoVaH.

Leviticus 23 begins with:

Lev 23:1 And the LORD spake unto Moses, saying,

Lev 23:2 Speak unto the children of Israel, and say unto them, *Concerning* the feasts of the LORD, which ye shall proclaim *to be* holy convocations, *even* these *are* my feasts.

Lev 23:3 Six days shall work be done: but the seventh day *is* the sabbath of rest, an holy convocation; ye shall do no work *therein*: it *is* the sabbath of the LORD in all your dwellings.

Lev 23:4 These *are* the feasts of the LORD, *even* holy convocations, which ye shall proclaim in their seasons.

Leviticus 23 ends with:

Lev 23:44 And Moses declared unto the children of Israel the feasts of the LORD.

Everything in between the opening and closing of Leviticus 23 contains the Feasts of YeHoVaH and their Instructions to His people.

What is the Feast of Trumpets?

The Feast of Trumpets is a **commanded Feast** of YeHoVaH according to Leviticus 23:23-25 and Numbers 29:1.

Lev 23:23 And the LORD spake unto Moses, saying,

Lev 23:24 Speak unto the children of Israel, saying, In the seventh month, in **the first day of the month**, shall ye have a sabbath, a memorial of **blowing of trumpets**, an holy convocation.

Lev 23:25 Ye shall do no servile work *therein*: but ye shall offer an offering made by fire unto the LORD.

Nu 29:1 And in the seventh month, on the first *day* of the month, ye shall have an holy convocation; ye shall do no servile work: it is **a day of blowing the trumpets** unto you.

When is the Feast of Trumpets?

The Feast of Trumpets is held on the **first day of the seventh month of the Biblical Calendar**.

The 7th month is Biblically called Ethanim in 1st Kings before the Babylonian captivity and was given the name Tishri after the Babylonian captivity.

1Ki 8:2 And all the men of Israel assembled themselves unto king Solomon at the feast in the month Ethanim, which *is* the seventh month.

The first day of the 7th month is determined by the sighting of the Re-Newed Moon in Israel. You cannot keep the Feast of Trumpets until the moon is sighted.

What am I required to do for the Feast of Trumpets?

We are required to do **no ordinary or servile work**; assemble and have a **Holy Convocation**; and **blow a Trumpet and/or Shofar**.

How do I celebrate the Feast of Trumpets?

The Feast of Trumpets is a Sabbath, so you should attend a **Holy Convocation** or Sacred Assembly.

You should **blow the Trumpet/Shofar** and celebrate with **Fellowship** and **Feasting**.

Are we required to make animal sacrifices?

There are the responsibilities of the people and separate responsibilities of the Priests. The people were never allowed to make the sacrifices. That was always the responsibility of the Priests. The people could not perform the Priests' responsibilities; otherwise, they would be violating the Commands.

Because there is no Tabernacle or Temple, the Priests' responsibilities for sacrificing cannot be carried out. However, the responsibilities of the people continue.

The Traditions

There are many traditions that have been associated with the Feast of Trumpets.

Spring and Fall Feasts

Why I no longer use the terms Spring and Fall Feasts

As of 2015, the Northern Hemisphere is home to approximately 6.4 billion people which is around 87.0% of the earth's total human population of 7.3 billion people.

More than 800 million people live in the Southern Hemisphere, representing around 10–12% of the total global human population.

Traditions

- Rosh Hashanah/The Jewish New Year
- Day of Judgment
- The day of the second forty-day ascent of Moses to receive the Torah
- The beginning of the ten days of Awe
- Tashlikh service or casting bread on the water
- Day of Messiah's return or the day no man knoweth
- Day of the Rapture
- Has not been fulfilled yet

The Feast of Trumpets is NOT Rosh Hashanah

Rosh Hashanah is a **Jewish tradition** that is celebrated on the first two days of Tishri as the Jewish New Year. Rosh Hashanah in Hebrew means the "**head of the year**".

Is the Feast of Trumpets the New Year?

No. The **New Year** cannot be in the **seventh** month.

The **Biblical New Year is the first month of the year**, the **month of the Aviv**. Aviv or Abib is the condition of the barley crop. This is March/April on the Gregorian calendar.

Will Yeshua return on Yom Teruah?

No one can predict when Yeshua will return because Scripture says:

Matthew 24:36 King James Version (KJV)

But of that day and hour **knoweth no man**, no, not the angels of heaven, but my Father only.

Is the Day of Trumpets the day that no one knows?

The Day of Trumpets is ALWAYS the first day of the seventh month.

Is the Day of Trumpets the Day of Judgment?

No one knows.
