## **My Testimony**

### **Introduction**

Greetings everyone. Shalom!

I bring greetings to you from Charlotte, my new home. My family and our congregation are joining us LIVE. Hi Honey, I know you're out there somewhere.

I am really excited to be here. I've been privileged to meet Michael Rood, and that has been a relationship that I truly cherish. Michael, I love you Brother. My wife loves you and I'm ok with that! Yea, I'm ok with that. My children ... my daughter told me that she would love to work for you and to travel in your ministry, so staff, look out. Halleluyah!

I am so honored to have had the opportunity to work with the staff up in Grand Rapids and it has truly been a privilege.

They've done an excellent job working with me and getting my materials out that I hope that you'll take home tomorrow. Or get it today. Allow those teachings to be a blessing to you.

And so, this morning I want to share some things with you. I want to share my heart with you, if that's ok. I've been praying and asking the Father what to share with you because there's so many messages in me that I need the right message, and that's so important.

And so, I'm going to share somethings with you this morning, but I need to tell you that the message

that I'm going to share with you this morning is not just for you. It's for the Body of Messiah.

And so, really listen, I'm going to challenge, I hope I don't offend, if I do, get over it – quickly. Really, seriously, because you can't get stuck.

You know, some people hear something, they get stuck and by the time they come out of being stuck the message is over. So, get over it quickly.

How did you get “unstuck?”**

## **Prayer**

I'm going to pray for you, let's pray. Let's do that now.

Father, we thank You for this time that You've given us this morning. We pray the power of Your Ruach, Your Spirit, to move freely in the midst of us.

We forbid every work of satan to operate in this place.

We allow, we release Your Spirit to move and to activate, to give us ears to hear, and eyes to see what You're saying to the Body in this hour, in this day and times, and we just say, have Your way.

Let Your will be done in this place today.

We give You all the Glory, all the Honor, all the Praise in Yeshua our Messiah.

Amein.

## **Hanukkah Is Our Story**

Today, we are here because of Hanukkah and I want to let you know the story of Hanukkah is not just the story of the Maccabees. But, the story of Hanukkah is our story.

It's a story that speaks to the past, but also it speaks to the present time and it speaks to the future.

As you know, Daniel talked about the Abomination that brings desolation and even after Antiochus did what he did in the days of the Maccabees, we know that Yeshua also spoke of a future coming of an Abomination that brings desolation.

So, it's a story not only of the past, but it's a story of the present because we are going through some of those kinds of things in various ways. But it also speaks to our future.

The story of Hanukkah was not just an attack against the Hebrew people, but it was an attack against the Hebrew people who were sincere about keeping Torah. It was an attack against the true worshippers of YeHoVaH.

For as you know, there were many in the days of the Maccabees that went along with Antiochus. They were Hebrews, they were Jews, they went along with the program, but there were those who refused to bow to the idols of the Greeks.

True worshippers were sincere about walking in the truth and following the Almighty.

The Maccabees represent those who are zealous about keeping Torah against all odds. Just as

many today follow an easy faith that requires nothing of them and are easily swayed by persecution, there are always those who will stand in spite of the persecution or the cost.

We all have a role in this, you and I have a role in the Kingdom, you have a part to play. We're not extras, we're main characters. Halleluyah!

**We have a role in advancing the Kingdom of YeHoVaH.** Though our roles may be different, each of us is vitally important. Each of us is extremely needed.

The story of Hanukkah is not just their story, it's your story. You've known for a long time that you were different. You've known it! You knew you didn't fit in. You didn't fit in the status-quo, you've known that you were different from everyone else.

You ask the hard questions, you didn't go with everyone else. You not only rocked the boat, but you made waves.

YeHoVaH has been preparing you, your whole life, for this moment, for this time, these days we live in. Again, you're not an extra, but you are a main character.

The story of Hanukkah is not just their story and it's not just your story, but it's also my story.

## How is the story of Hanukkah and the Maccabees a story of our present times and future?

## **Hanukkah Is My Story**

Since I was a child, I've known the call of God on my life. I began hearing voices early in my childhood. Someone would call my name and I would look around and not know, and there was no one there. This happened so many times that I began to question whether I was insane.

In 1<sup>st</sup> Samuel, there's a story about a young boy named Samuel. The boy Samuel ministered before YeHoVaH under Eli.

In those days, the word of God was rare and there were not many visions. Today, His word is rare. Today, there aren't many visions. I'm reading out of the Book of 1<sup>st</sup> Samuel.

**1 Samuel 3:2 “And it came to pass at that time, when Eli was laid down in his place, and his eyes began to wax dim, that he could not see.”**

**1 Samuel 3:3 “And ere the lamp of God went out in the temple of YeHoVaH, where the ark of God was, and Samuel was laid down to sleep.”**

**1 Samuel 3:4 “That YeHoVaH called Samuel: and he answered, Here I am.”**

**1 Samuel 3:5 “And he ran unto Eli, and said, Here am I; for thou calledst me. And he said, [Eli told him] I didn't call you, lie down. And he went and laid down.”**

And this is how it was for me. I would hear these voices and I would look around. I would wonder who

was calling my name but there was never anyone there.

**1 Samuel 3:6 “YeHoVaH called yet again, to Samuel. And Samuel arose and went to Eli, and said, Here am I; for thou didst call me. And he answered I called not, my son; lie down again.”**

**1 Samuel 3:7 “Now Samuel did not know [that this was] YeHoVaH, neither was the word of YeHoVaH yet revealed unto him.”**

And I sense that there are many people in this room who've gone through something similar. As a child, you've heard things and you didn't know. You've seen things and you tried to tell people about it, and they thought you were literally crazy. You questioned the preachers. You questioned the Bible. You questioned religion, and they would tell you to be quiet; push you aside, ignore you.

The word of YeHoVaH had not yet been revealed to Samuel.

**1 Samuel 3:8 “And YeHoVaH called Samuel again the third time. And he arose and went to Eli, and said, Here am I; for thou didst call me. And Eli perceived ...**

He finally gets this revelation. Now Eli is like a lot of the pastors in the Church today; like a lot of leaders. They serve in the capacity of a spiritual leader, but do not know and cannot hear the Voice.

Even when you go to them, and people go to them, and begin to speak, they still don't perceive it

until at some point they may get a revelation, that maybe, just maybe, this person is hearing from YeHoVaH Himself. So, Eli perceived it.

**1 Samuel 3:9 “Therefore Eli said unto Samuel, Go, lie down: and it shall be, if he call thee that thou shalt say, Speak, YeHoVaH; for thy servant heareth. So Samuel went and lay down in his place.”**

Now notice, it took three times for Eli to get this revelation and he still didn't get the revelation, he perceived that maybe?

**1 Samuel 3:10 “And YeHoVaH came, and stood, and called as at other times, Samuel, Samuel. Then Samuel answered, Speak; for thy servant hears.”**

And that is going to be our answer. I did not have an Eli in my life to tell me that this voice I was hearing was YeHoVaH.

I've had several Eli types in my life who would not hear when YeHoVaH spoke to them nor would they obey the voice when He warned them of their iniquities. Because I did not know YeHoVaH, I did not know the voice I was hearing was His.

## Running From YeHoVaH

I just left home, joined the Navy, and departed from YeHoVaH. I tried to drown out the voice in my head with alcohol, with drugs, and with partying. That's what we do sometimes because we hear these things and we don't know how to deal with it, and so we try to drown it out.

In 1981, I married my wife. We've been married for 29 years. In June of 1989, I came home to an empty house. She took our three children, left me and filed for divorce.

You see, when you don't know the true voice of God, when you don't know the true way, we have a tendency to follow ways that may not necessarily be His. And, as a result in my life because I didn't know, and I didn't have that person in my life to share these things with me, I took a journey for the worse.

You might say, well why? Why am I saying these things? I'm saying these things because many of you know exactly what I'm talking about. Not just you, but many people who are listening, many people who are watching, many people who will hear this message, it's going to speak to them.

The Scriptures say that they overcome; they overcame the works of the enemy by the word of their testimony. They overcame the world; they overcame the enemy by the word of their testimony.

Your testimony is a powerful thing because your testimony is yours. It doesn't belong to someone else, it's yours.

When I came into the Kingdom, the preachers, the pastors, they didn't want me to share my testimony because as a minister you have to dress right, you have to look right, you have to talk right, you have to go along with the program, you have to make yourself look as if you got it all together and have all the right answers. A big façade!

Many ministers are trapped. I was one of them. Knowing, but not doing. Depending on a system for provisions, not knowing to trust. And in the days that we're coming to, it's going to be vital that you and I learn how to trust the Father. Halleluyah!

My life hit rock bottom when my wife left. During this time, I began hearing other voices. Voices telling me to kill her. Those of you who've gone through divorce, you've gone through nasty breakups, you've gone through relationships that have literally taken the breath out of you and you don't know how ...

Are there any? Am I talking to anybody in here?

And so, I start hearing these voices, kill her, kill the children, kill yourself. You can't have her, nobody should have her.

I started listening to those voices and I almost succeeded. I'd become the thing that I hated. My mother told me to get help and so I did.

I went to a Drug Rehabilitation Center that was operated by some nuns who just happened to be Catholic. Now I would like to say that they directly played a role in helping me, through their facility and the solitude and getting away.

**It was during that time that I met the worse person I had ever known, ME!**

I'm looking in a mirror, face to face, no distractions, my wife is not there, my drug buddies and my party friends are not there, and it's just me.

"Mano a Mano".

And it was at that moment that I realized that I did not like me.

The Father began to ask me questions because now I'm hearing these voices and He would say to me,

"Arthur, do you love Me?"

"Yes."

Do you know people who don't even serve YeHoVaH, but who know God exists, feel that they love Him. He said,

"Do you love yourself?"

"Of course, I love me."

If I were to ask you this question you would probably say the same thing. You love you. And then, He would ask me,

"If you love yourself, why do you put these drugs in your body?"

"If you love yourself, why do you put alcohol in your body?"

"If you love yourself, why do you do the things you do?"

And it was at that moment, not only did I realize I didn't like me, but it was at that moment that I realized that I had become insane.

That was a good place because when you recognize, and one of the first things they taught me is, **when you come to a place that you realize that you need help, that's the best place to come.**

You see, many people are deceived. The greatest people who are deceived are those who have knowledge of the Word.

James puts it this way, **a person who hears the word, but does not do what the Word says, deceives themselves.** It is a dangerous place to know what the Word says, but not be a doer of the Word.

It was here, the voice I'd been running from became stronger. This time the voice was accompanied with visions and dreams.

I had not ever heard of deliverance, or people casting out demons, but I knew I had something living in me trying to destroy me from the inside out. I hadn't been in Churches; they didn't have deliverance where I was, so I knew nothing about this.

[illegible]

## Question to Ponder

## How can a person deceive themselves?

[illegible]

## **YeHoVaH Revealed Himself**

YeHoVaH revealed Himself to me in that Drug Rehab. For nineteen days, He communed with me, showing me my future, showing me my Calling and showing me my purpose.

I'm sharing these things with you because you are going to receive what I'm saying to you and see yourself in this picture because the Father is speaking to you whether you hear Him, or listen, or not.

I have a responsibility to provoke you to begin to listen to what He has to say, His sheep know His voice and the voice of strangers, they will not follow.

It was in this Rehab Center that YeHoVaH revealed to me Satan's strategies against the people of the Kingdom. A major strategy of Satan is drugs, not just illegal drugs but prescription medication.

Whose idea was it to put a medicine cabinet in every house build in America? Who came up with that brilliant idea? How many of you have a medicine cabinet in your house? Let me see your hands. You don't even have medicine, some of you, for now it just keeps your toothbrush. At some point, someone has determined already that you're gonna need medicine and when you get it, you need a place to keep it.

More children and adults are overdosing on prescription medication than illegal drugs.

Just last week the police in my city were trying to get a bill passed where problems caused by prescription medication, and those involved, would be

tried just like a person who was involved with illegal drugs.

In this Drug Rehab, YeHoVaH cleaned me up.

But let me say another thing, while I was there, there were people who were there based on prescription medication. Do you know that a child does not have to go down to the corner drug dealer to get drugs, they just go to your medicine cabinet, just go to your purse. You got pain medication, whatever it is, they don't even know half the stuff they're taking from your purse or your medicine cabinet.

In this nineteen-day period, I was released from a thirty-day program, armed and extremely dangerous.

## What has Father spoken to you?

[illegible]

## **Pursuing God/YeHoVaH**

Like most people who return from rehab, we return to the place we left. For me it was the Baptist Church. I grew up in the Baptist Church, my mother and my dad sent me to Church. I was on the mourning bench. Anybody ever hear of a mourning bench? Alright, some of you know what I'm talking about.

I went to Sunday School I did all the things I was supposed to do as a Christian. After the message, well, I kind of jumped out. For me it was the Baptist Church, it was in this Church that I accepted my Call to preach the Gospel of Jesus Christ.

[Oooo, he said Jesus! How can this guy be a Prophet, an Apostle, and use that name?]

After a year and a half, I'm just telling you my story and from where I came to where I am now.

You see, I got saved in a Baptist Church. You may not believe that, but this is not your story.

Now, there were a whole lot of folks going through the motion, but see, I had run from God for years and I was not running anymore. At this point, I began to pursue Him.

And see, there are people in the Baptist, in the Methodist, in the Pentecostal, in the Catholic, in the Mormon, in the Jehovah's Witness, in the Seven Day, there are people in all of these denominations that really want to know the true Creator. They've just been blinded and been deceived by people who are supposed to know better, but don't know any better.

The call of YeHoVaH is going to them. See, unlike many of you who were born Messianic, I was minding my own business one day, and the Father began to compel me to search Scripture.

Now, I'm the kind of person, I don't like music, but I like Jimmy Black. I like Jimmy Black's music. But I can drive from one side of the United States all the way to the other side in complete quiet. No radio; to me radio and TV is noise, and there's a lot of noise. This noise is designed to keep you distracted and focus on something other than what you should be focused on. So, I like quiet. It is in those moments that Father speaks to me. And on one of those days, I'm minding my own business and the Father begins to speak to me concerning certain things in Scripture that I've always questioned, but didn't really know the answer to. I remember in the Baptist Church, I'm just fresh out of the world, you know the flame, I'm still smoking, you hear me? You know, people got to follow me around with a fire extinguisher. And I remember a Bible study and the pastor was teaching on Joseph in Egypt, how his brothers came, and then he showed himself that he was Hebrew. And I'm thinking, how is he showing he's Hebrew? I mean, I ask these kinds of questions and so I couldn't answer it in my own mind, so I asked the pastor. I raised my hand and I was like this all the time (Arthur raising his hand and waving it in the air). Right? Ask questions!

I determined long time ago that if I'm gonna go to hell, nobody is gonna help me get there. I'm going all by myself. I am not going to trust my eternal life to any person. And so, I ask questions. And I remember asking that question.

You see, in High School I had an English teacher about this tall (Arthur indicates a short stature), my favorite teacher, her name was Dorothy Grenell. I'll never forget her. She used to say, there is no such thing as a dumb question. The only dumb question is the question you don't ask. There are too many people who are too embarrassed to expose their ignorance by asking questions, and they don't get answers. They simply go along. I ask questions. Anyway, Dorothy Grenell taught me these things.

So I'm asking the question to the pastor,

"How did Joseph show his brothers that he was Hebrew?"

There was a holy hush, I mean, it was intimidating! I'm sitting in the back, and the class turned around and looked at me! And I'm thinking,

"What did I do?"

People assume. Too many times people think you know, and you don't know. So, ask the questions!

After a year and a half, I received the left foot of fellowship in this Church. Because at the time, it's like, I'm preaching, now I got to share this testimony. I was preparing for ministry and the pastor was taking me through the process of doing my First Sermon, a Trial Sermon. A Trial Sermon is determined by the congregation whether or not you're Called. It's a Trial Sermon, it's not a real sermon. Right? It's a Trial, you preach, we'll discern whether you are really Called of God.

Because of my worldly travels ... now, this is a Black Baptist Church ... I met friends. When I really gave my heart to YeHoVaH or Jesus at the time, I got involved in ministry. First thing I did was I got on the Prison Ministry Team and twice a week we went to the prisons and just ministered. I have to say that I got more out of it than the inmates did. I got involved in the Street Ministry and Street Evangelism. I didn't have the right message, but I'm out there. And so, I'm meeting all these people. I'm meeting Whites, Hispanics, and all of this.

Sunday night, September 9, 1991, I preached my Trial Sermon. It was a Sunday night and those of you who know these traditional churches, Sunday night is empty. You know, everybody comes on Sunday morning; Sunday night it's a ghost town in this place. Except for the diehards that feel you're not saved unless you go Church at least twice on Sunday. But this place was packed! And the preacher is looking, where these folks coming from? White people are coming in our Church! And this is a huge Church, 800 seats and they're putting chairs out in the foyer, and chairs along the isles. And it's like,

"What manner of man is this?"

Just kidding, just kidding.

And so ... that last sermon that I ministered, I preached. The Father gave me this message about the man who had a boy who had an evil spirit and the Disciples couldn't cast the spirit out of the boy. And I'm preaching this because I'm in this Church, but I see no power.

I hear good messages, I see people rocking, I see folks get excited (Arthur demonstrates someone doing a jig.) and every now and then someone will run around the building. I mean they were doing this stuff. And at a certain point you know, the pastor says

“And Duh.”

And the ladies right over in the corner there every time the,

“And duh”

“Jesss-us, Hut!” ...

Right?

And you can tell Big Mama is over there and she's about to get her Praise on. Really, she is! So, she stands up, and she weighed about 300 lbs. Then she starts rocking and just like a choreography, the ladies in the white hats and the white suits, the nurses in the Church. I don't know if they had those in your Church. But they would all get up and start making their way around Big Mama. And they would join hands and lock, to make sure that Big Mama stayed in her space because if she really went down, she'd take the whole row with her! (Arthur imitates her falling back and shouting).

And then there were the sisters with the short dresses, who had to faint, where the pastor could see them. I mean I'm looking at all this hootenanny going on. It's like, what in the devil is going on here? Because this is the kind of stuff that I saw in the bar. It's like, I'm at CHURCH! How did the bar ... but little did I know that the choir was in the bar the night before.

I mean these guys ... you know you've heard of people saying,

"Oh yea, I used to dance in the bar, but now I got a different dance partner and His name is J-E-S-U-S."

Well, some of these people brought the bar with them! And you got all this kind of stuff going on in these houses of worship.

I preached this sermon and one of the minsters came up to me and said,

"M-a-n, you see the look on these people's faces? They didn't like that message."

Now, I haven't a clue that folks are sitting there looking at me like this. (Arthur grimaces with his arms crossed.) Because I'm in the glory, I'm preaching, and it's like,

"WOW! Yea!"

I did notice nobody was ... I mean this is a Baptist Church and folks usually say,

"W-e-l-l!" "W-e-l-l!"

"Preach!"

There were no "Wells!"

There was no "Preach!"

It was like a Methodist Church. I mean it was quiet and I'm too dumb, and too naïve, to realize that there are some people ready to take me OUT! You know, it's like, I'm sending you as a sheep among wolves. Ok! I thought they were in the world. So, he

came and he told me that my message caused a problem.

## Called to Be an Apostle

In 1991, I became a minister in a Charismatic Pentecostal Church. I finished Bible College and became an instructor in the College I graduated from. In September 1994, I heard YeHoVaH's voice say to me,

"I've called you to be an Apostle."

Now, today I have Messianics say, "How can you use Greek terms/"

"How can you say you're an Apostle?"

"Why you dress that the way, you don't look Messianic."

How am I supposed to look Messianic? I mean, I don't know? I took my tie off. I got a prayer shawl, y'all! Tzitzits!

I remember exactly where I was sitting. The building was, there was a section, there a section, a section, and another section, and I was sitting the fifth row in, on the third seat, just like you're sitting there, if there was an aisle. His voice ... **it wasn't His voice that scared me; it was what He said.**

My wife was sitting next to me and when I heard this, I looked around. I looked around to see if anybody else heard it. I sat there and began to tremble. My wife asked me what was wrong? And when I got home, I told her.

Now this is in 1994, I hid it from everybody, for years. In June of 1999, our seventh child was born,

and the voice of YeHoVaH spoke to me and said, "Name him Apostle Arthur Bailey".

Now at this time I'm still, you know, I'm dealing with the term Reverend and Elder, and what He was doing at this time as He was saying to me,

"I know you're afraid. I know what you're feeling. Call your son Apostle Arthur Bailey and get used to saying and hearing."

I told my wife and my wife was like,

"Well, I don't know about that honey. But if He said it, Okay."

You know, I got a good wife. You know, for a brother to have a wife who trusts him even though they may not see it, they may not understand it.

When I moved from the Christian arena to the Messianic Hebrew Roots arena, it was very clear in my mind because the Spirit had showed me what I was going to go through and I didn't want to go through that. Just as He was showing me that when you begin to accept your calling, you're going to go through, but the turmoil was not external, the turmoil was internal because I was afraid of what people would think.

You know we spend a majority of our lives afraid of what people think. Were so concerned about what mom, and dad, and uncle, and aunt, and what the children, and what the Church, and the pastor thinks. We're so concerned about what these people are going to think, and what they're going to feel, that we stay locked in a place that we know is not healthy. The Churches are filled with people like this.

I was talking to a sister last night, her heart, I could hear it. She was saying to me how she knows because she started to keep Shabbat. I'm not going to reveal who you are, but her voice is the voice of millions. Because see, for a man it's a little easier to take this step because men are not that emotionally connected. It's like, ok, this is what we're supposed to do, and the brain shuts down,

"Let's do it!"

Women, and not all women, because there some sisters out there, once they know what He says to do, they say,

"Let's do it!"

"Darn the torpedoes, full speed ahead!"

But many women are social, relational, emotional, connected to family and it's not just as easy to get up and walk away from this community. I mean,

"I was baptized in this Church! I grew up in this church. My grandmamma and my grandfather's names are on the pew down there! Our family has been in this Church from the very beginning. I just can't leave! I know you're right, but what are they going to say? What are they going to think?"

And the Spirit is saying,

"Who cares what they think?"

They're not going to be there when you have to stand before the Father and have to give an account for what you did or did not do.

Since that time, I've continued to be trained and led by the Holy Spirit. He's led me from the Baptist to the Charismatic, Pentecostal, to the Missouri Synod Lutheran to the Christian Reform.

Now here I am in the Hebrew Roots Messianic Community. Halleluyah! Now, even though the denominations have changed, the message has been pretty much the same.

The Father spoke to me, and I use these terms He spoke to me, knowing the environment that I'm in. I know this, but the fact of the matter is,

"Is YeHoVaH dead?"

See, you're saying it like you don't even believe it. Let me give you another chance to repent and redeem yourself.

**Is YeHoVaH dead?**

(Audience shouts **NO!!**)

**Is He deaf or dumb?**

(Audience shouts **NO!!**)

**Does He speak today?**

(Audience shouts **YES!!**)

**Is He speaking to you?**

(Audience shouts **YES!!**)

**Are you listening?**

(Audience shouts **YES!!**)

Because this is the key, you see. So, when He spoke these things to me, I began to move on them. And He told me to teach the people about the power of the Holy Spirit and not only teach it, but show the power, demonstrate the power. And you're going to see why this is important in a moment.

## **Operating in the Power of the Holy Spirit**

I taught about the Holy Spirit in the Black Baptist Church speaking on deliverance, a subject I knew nothing about, casting out... All I know is that I read the Bible and the Bible says that those people were casting out demons and there are a whole lot of demons up in here. This is one thing I knew.

Now, I'm not talking about up in here. I'm talking about, no, no, no, I'm not talking about up in here (in this conference), I'm talking about in the Baptist Church that I was in.

You could see them, people mean as a rattlesnake. Talking about,

"Praise the LORD!"

You know! Grab you by the ear ... pinch you! What makes somebody think they can just pinch somebody else's child?

But there were some mean deacons. It was! I went to a business meeting and I swore I would never go to another. It had a lasting impact on me. Whenever you stand in a meeting of holy people and the pastor and the head deacon are face to face ...

"Don't you put your hands on me!"

"Put your hands on me if you want!"

I'm saying wait a minute! It's ready to rumble! Have a fight up in here, Church fight. Anybody been to a Church fight? You haven't been to fight until you've gone to a Church fight!

So, they just lose their mind. It's like the devil comes in, trick 'em, and says,

"Hit him!"

And then the devil leaves. You see what you did? Folks be feeling stupid.

So, I taught about the Holy Spirit in the Baptist Church. I taught about the Holy Spirit in the German Missouri Synod Lutheran Church.

Sir, I'm not picking on you, but most of the people look like you. Are you German? They were white haired, and they loved it, they loved it! You see, people are hungry for truth.

I preached about the Holy Spirit in the Dutch Christian Reform Church. In the Pentecostal Charismatic, I didn't need to do a whole lot of it because you know, they knew about speaking in tongues and all that stuff. That's about all they knew.

On November 6, 2009, this year, last month, **YeHoVaH revealed to me that my role is to restore His Voice, His Power and the operation of the gifts of the Ruach Kodesh to the Messianic Community.**

He says there are two things Messianics struggle doing:

- 1) **Praying**, and the other is
- 2) **Moving in the Spirit**

See, oftentimes when people come into the Messianic Community the idea is,

"Ok, how did the Jews do it?"

And so, people want to now look Jewish, they want to learn Hebrew words, they want to dance Jewish. They have to have a certain sound of music; they got the siddur, the Messianic Siddur, have to pray the prayers that they pray. You know. And listen, there's nothing wrong with this, I don't believe Yeshua had a problem with any of this.

The problem is when those things, those traditions begin to exalt themselves against the knowledge of YeHoVaH. When people say you **have to do it this way**, you **have to look this way**.

Listen, I have never bowed to public opinion and I don't plan on doing it now. Get over the fact that I wear a suit. I'll be wearing a suit. I'll still try to look sharp. I mean, I'm BLACK! Come-on! And to my Black Brothers out there who look like cowboys or whatever you want to look like, more power to you. You do you, let me do me.

Because, listen, we are all individual members, who have individual roles and functions. So don't look at a person and think because they don't look like me, because they don't talk like me, because they don't dance like me, because they don't pray like me ...

See you got all that stuff in the de-nomi-nations! You BE you! And allow the Spirit to work in you the way the Spirit works in you. Don't try to be someone else. Don't try to be like someone else because you can never be like someone else the way they can, nor can anybody be you.

And so, don't let the foot say to the ankle, I have no need for you. Listen, "Do You."

YeHoVaH said,

“Many will talk about the power of the Ruach but few will actually step out and lay hands on the sick.”

Listen it's wonderful to eat right. It's beautiful to eat raw. It's great that we don't eat certain foods. But let me tell you something, people still get sick. Even though they eat the right thing because the devil is like a roaring lion, he's just looking for whoever he can devour.

And because we live in an environment, like even in this room, I mean you can't see it, but there are bacteria floating around in this place like crazy. And if the Father was to allow you to see in the realm of the Spirit, you would be devastated by some of the stuff you see flying in the air, waiting to light on someone. But, it has no power because we prayed. It has no authority. So, all it can do is wait until you leave out the building. Can't touch you in here. Halleluyah!

Few are going to step out on it. Few are going to lay hands on the sick and pray for healing. Few are going to pray for the baptism of the Holy Spirit. Few will expect the power of the Spirit to manifest in their worship service.

**We must not only talk about the power, but we have to produce the power.** Why? Because the Holy Spirit lives in you! People are waiting for the Glory to fall, I say,

“Let the Glory out!”

Why is it that we come into a restoration movement where we have been restored by the Messiah, and still like the people of old, expect the Holy Spirit to come and lift? Either the Holy Spirit is in you or He's not.

“Father send your anointing!”

Wait a minute. You have the anointing! You have been given the anointing. Isn't that what John tells us?

The Holy One lives in you. You have been given an anointing. You need no man to teach you, the Holy Spirit within you will teach you all things. He will show you things to come. Now, I know I might not have the right Bible, but in the Bible that I do have, it's in there. Ok, it really is.

I remember reading Yeshua saying,

“These things that I do, the works, the works that I do you shall do, and many works shall you do, greater works shall you do.”

See, the Holy Spirit is here for you, He's here for me. Like Yeshua taught in Matthew, in Matthew 5:19 you find these words,

**Matthew 5:19 “Whosoever shall break one of these least commandments and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall [what?] do and teach them, ...**

Do and teach. See, **you don't know the power of the teaching until you are a doer.** All you have is information and knowledge does what? Knowledge

puffs up. Knowledge gives people a big head. I'm not interested in how much Hebrew you know. I mean, if the Spirit is leading you to learn Hebrew, more power to you. When I need an interpreter, I'll call you.

And listen, I'm not trying to be mean or anything. But, **the bottom line is that you and I are to be a doer.** It's not just about having the right information. It's not just about being able to regurgitate some Scripture to say or to talk like Moses talked. It's more than that.

The Holy Spirit is here, to enable you and me to do the works of the Kingdom. It is time that we put our swords in the sheaves and stop poking one another. We fight too much. Just because I say Yeshua and you say Yahshua, or you say Yahweh and I say YeHoVaH ... Yahuah, and you know Yahoah.

And please, I'm not making a mockery out of the name of YeHoVaH. Let's be honest, we don't know 100%. But, because our heart is in the right place and we want to do what is right and what is pleasing to Him, we come as close as we can. When He comes, then it will be revealed that which it is that we are to know in perfection. But we're not there yet.

And so instead of switching camps and changing aisles because this person says it this way and this person says it that way ..., grow up.

**There's a world out there that is waiting for the Sons and Daughters of YeHoVaH to be revealed.** The earth is in bad shape, it's groaning, it's travailing.

Yeshua said by the love we have for one another shall men know that we are His Disciples. So, the love that we have and the power of the Spirit ... I'm so glad Paul put in the middle of Chapters 12 and 14 of 1<sup>st</sup> Corinthians the importance of having the love of YeHoVaH regardless of how powerful you may move in the Spirit or how much knowledge and information you may have. But, it's the love, if you don't have love you are ... We have to not just get the right information, but we have to step out in the information.

Another strategy of Satan is to allow people to teach about the Torah, but tell people that it is for the Jews not the Christians. Did you see, could you put the slide back up. Listen what He says, He says,

**Matthew 5:19 “Whosoever shall break one of these least commandments and shall teach men so, ...**

Shall teach men so!

I say this to my pastor friends, listen, **if you're teaching men that they don't have to keep the Commandments, you are lawless.** You are a lawless one and you're teaching people to be lawless and so your Church is nothing but a house of hell! That's what it is. You're telling people you don't have to keep the Commandments.

How do you think the Father is going to feel about that? When that person is standing,

“What do you mean? Who told you that you didn't have to keep My Commandments?”

Are you with me? And so, there are people who are teaching about it. There are folks who are teaching and I've had pastors who come to our ministry and they wanted to borrow our Shofar and our Menorah for special occasions, Tabernacle, Pentecost, and Passover.

They wanted to listen to my teachings and download my teachings, but they don't want me to know it. And so, they can stand and speak eloquently about their knowledge of the Torah and impress their congregation and then turn around and say,

"You don't have to do that stuff, that's for the Jews."

Listen, Brother, **there is no such word as Jew in the Torah. It's not mentioned one time.** For his strategy is to tell people that they don't have to keep the Torah, they don't have to keep the Commandments. They'll even have Jewish people come into their Churches and teach. They'll even do Passover Seders. They'll set up replicas of the Tabernacle of Moses. They'll have their banners with YeHoVaH.

I went into one Church in the Carolinas; they had a wailing wall in the back. That's where they prayed. And I'm looking for holes in the wall so people could stick notes and pray. There was a banner with YeHoVaH. I took the pastor one of my books. I said,

"Man, you need this in your bookstore."

And he told me,

“Praise the LORD, Brother, but that’s not compatible to our doctrine”.

And what compelled me to do that is that I was in their Church on a **Sunday**. My neighbor had invited me so I went because I heard who the pastor was.

Before I came into the Messianics, I had eye problems and I was in a meeting where the Holy Spirit healed my eyes. Now, this was in Florida and he is in the Carolina’s, and so when I heard,

“Yea I’m going over there”.

That particular day he was out of the country and his wife was preaching.

“Yea, ok, Halleluyah!”

And she’s preaching on the Sabbath. I said,

“What?”

Yes! I think these people get it, but they didn’t. They got all the emblems, shofar, banners, Wailing Wall, and a bema. For those of you who don’t know, a bema is a podium for the synagogues where they keep the scrolls, to read them facing east. And I’m thinking, ok, maybe these people get it, but they didn’t.

Now, why is this a strategy of the enemy? Because there are people in your life, who when you begin to share these things that I’m sharing with you about the Torah and about the Commandments, and they’ll say,

“Yes, Yes, Halleluyah! Our pastor preached on that!”

That's what they're going to tell you. And you'll have to show them,

"If they teach it, and teach you that you don't have to do it ..."

Because this is what is happening, they're teaching it. They are teaching it in the Churches, but they're teaching also that the people in the Church don't have to do it because that's for the Jewish people.

"We're Christian and after all God is going to deal with those Jews when we're raptured. Don't be deceived! And don't let them throw you off."

But it's not your message that they're going to listen to, it's the power of the Holy Spirit in your life. **When they see the power and the anointing in your life, you got their attention.**

Notice, Yeshua before He preached a sermon, did a miracle. The people didn't follow Him because He was an eloquent orator. They followed Him because of the fish and the loaves.

"This Brother knows how to feed a crowd. We don't have to work ... just like Moses and the manna. Just follow this Brother and we will eat! Surely, the prophecy of David is being fulfilled. I was young but now I'm old, the righteous will not be forsaken ... Come on children cause there's bread and we don't have to beg for it."

So, they followed Him because of the fish and because of the loaves. The people didn't want the word because when He told them what was required,

“Except you eat of My flesh, except you drink of My blood you have no life in you.”

Many of His disciples did what? They left! The reason the Pharisees wanted Him dead was not because of the miracles, but because of His words. **The miracles drew the crowd; the words saved them.** So, when you begin to operate in the power of the Holy Spirit people will listen to you more.

Like Yeshua taught, so the enemy now wants to get the people to thinking that if you're hearing it that's all we need.

“We're hearing the word, man. We got some good teaching in this place!”

Satan will convince them. Now get this, Satan will convince these Churches to support Israel.

“Oh, we L-O-V-E Israel! Yes, we do! We support missionaries in Israel.”

And there's a fellow who comes on and he says things like,

“I encourage you that any support that you're sending ... you're giving support to Israel and you're sincere about the Messianic ... reaching the world for Yeshua”

However, read their material. Read their material because the material that most of these individuals send out have nothing but Old Testament Scripture, lots of Scripture. But, it's all Tanakh. Now, is there something wrong with that? No, but what it is, it's a picture into where they are. And, you will assume because it's littered with Scripture, and because they

are claiming and reaching out to the Christian Church  
...

But they're some wise people out there that know the Christian Church is a bunch of suckers. All you have to say is,

"We love Israel."

And the money flows. And so, He says, the enemy is trying to get people to support Israel, but they're not supporting Messianic Israel because Messianic Israel, in their mind, are Christians who have departed from the faith. But Christian Jews believe in who? Jesus.

Listen, to the language. See, words are what get us. We need to be people of the word and we need to understand words because **words will cause you to think a certain way.** Because strategic people know how to play with words to make you think you're hearing something, but you're not hearing. **Words have power.**

If you want to change your life, change the words you speak. Words have power. **The universe was built on words, it was created by words and we will be held accountable our words.**

A Jew can be any other religion and still be Jewish, but when they become Christians why are they no longer Jews? Because they now believe in who? Jesus.

Understand something, Jesus not Yeshua. In this Bible, the 1611 King James Edition, first of all, it has the Apocrypha Books, but what it doesn't have in

the 1611 King James Edition of the Bible, is the word Jesus. It's not in here. It's not in here. You can read Matthew, it's Iesous it's spelled with an I not a J, it's not there. So, how did it get in there? Somebody edited and now it's there.

The Church of Messianics will talk about the Holy Spirit but not operate in the power of the Holy Spirit, which is another strategy of Satan.

**2 Timothy 3:1 “This know also, that in the last days perilous times will come.**

**2 Timothy 3:2 “For men shall be lovers of their own selves, covetous, boaster, proud, blasphemers, disobedient to parents, unthankful, unholy.**

**2 Timothy 3:3 “Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,**

**2 Timothy 3:4 “Traitors, heady, highminded, lovers of pleasure more than lovers of God;**

**2 Timothy 3:5 “Having a form of godliness, but denying the power thereof: from such turn away.”**

Now, tomorrow I want to share with you about the Power of the Holy Spirit and then I want to empower, that's what I'm going to do.

And so, I encourage you, think about these things that I'm saying, allow them to soak into your spirit and then I want you to open yourself up for the working power of the Spirit of YeHoVaH to operate and to function in you. So, when you leave here and go

back to your places, those of you who are already operating in the Power, living in the Power, keeping the Commandments of YeHoVaH and having the faith of Yeshua, those of you who are living out the Torah, but also know that it's the Spirit that gives the Torah life. Then you're going to be very powerful, as a matter of fact, **you're already powerful, you just have to step up, step out, and do what you have been called to do.**

Is that alright? Thank you for listening to me. YeHoVaH bless you.

### **Maximizing Your Talents**

This book will help you understand the parable taught by Yeshua after sharing with His Disciples about the Gospel of the Kingdom being preached to the whole world before the end comes. The parable is about three servants who were given specific talents. What distinguished the wise servant from the wicked servant in this parable was determined by what they did with the talents they had been given.

### **Merry Christmas?**

Where did Christmas originate? What does the Bible have to say about Christmas and its relationship to the birth of Christ? Is Christmas even in the Bible? Should Christ be in Christmas? Is Jesus the reason for the season? How should true Believers respond to Christmas? These questions and so many more will be answered in this timeless Christmas message.

### **Messianic 101: The Essentials**

In this very important teaching, Arthur Bailey explains what every new Believer must know to live a power-filled life in the Kingdom of YeHoVaH. You will learn who you are in Messiah, the importance of faith, and about the baptism of the Holy Spirit. You will also learn how to properly respond to the Sabbath argument, as well as the basics concerning the dietary laws, the Feast days, and much more.

### **Messianic 201: Adding to your Faith**

This is the second in a series of three introductory teachings. In this teaching you will learn the crucial elements that should be added to the Believers’ faith

to keep from falling. This teaching is a must-have for anyone desiring to build their faith in Messiah Yeshua.

### **Messianic 301: Perfecting Your Faith - Maturing in Messiah**

Today there is as much confusion about being Messianic as there is on certain issues across denominational Christianity. This is the third installment of this phenomenal series which deals with perfecting the faith that we have been given. The series provides essential tools for maturing your faith in Messiah Yeshua.

### **Now Concerning Spiritual Gifts**

Some suggest that the gifts of the Spirit have ceased operation and that the Law is done away with. Among those who accept and teach that the Spiritual Gifts of the Bible are still operational today, many have abused and misused these gifts in their assembly similar to the days of Corinth to whom Paul wrote to correct. This Book removes the mystery over manifesting spiritual gifts and it empowers Believers to identify and exercise their spiritual gifts.

### **Offended & Offending: Dealing With Offence**

Some offences are carried over a lifetime and others tear apart relationships. In the natural world, offences can create wounds that are slow to heal. Even when an apology is given, some people continue to be offended. Why do we become offended? What does the Bible say about offence? It is never too late to walk in your Kingdom authority free from offences! Be who you are meant to be today.

### **Pulling Down Strongholds (Hardcover)**

Spiritual warfare is to walk in the power and authority of the Spirit of YeHoVaH. The weapons of our warfare

are not carnal, but mighty through Elohim and have the capacity to pull down strongholds. This teaching addresses the strongholds in our life that need to be dealt with and pulled down. Where is it pulled down from? Our minds! It requires serious discipline to operate and walk in Kingdom wisdom and in Kingdom understanding which requires each of us to confront ourselves. This is a Book to read and apply!

### **The Evolution of the American Gospel**

Did you know that today's "Christian" gospel is not the Gospel of the Biblical Messiah's day? Over time, at the hands of men, the Gospel of the Kingdom (which is about repentance, obedience to the Commandments and acceptance of the Savior's sacrifice) has evolved into a gospel that is barely recognizable to Messiah, His Apostles or to true Believers of the faith once delivered to the Saints. Follow The Evolution of the American Gospel along a remarkable trail across languages, cultures, and centuries to reveal the true message of Messiah Yeshua (Jesus) and the path to salvation that is very different and far more powerful than what we have been taught to "believe."

### **The Fruit of the Spirit (Paperback)**

Arthur Bailey does a verse by verse study of this passage from Paul's letter to the Galatians. The main tenets of this study is that God, who is Spirit, gave man the Law to govern his natural, flesh, carnal nature and God gave man His Spirit to lead man by His Spirit. As people of the Kingdom, we must be led by the Holy Spirit. The person who is led by the Spirit of God/Elohim will produce the fruit of the Spirit, do the works of the Spirit, and operate in the gifts of the Spirit. You will know the man by his fruit.

### **The Lord's Supper, The Last Supper, Communion (Hardcover)**

Where did the model of a cup of juice and wafer come from? Did the Disciples/Apostles celebrate communion as we know it? The Lord's Supper, the Last Supper, and Communion as we know it today was adopted by the Protestant church and inherited from the Catholic Church during the "Great Reformation". What is the proper way to celebrate Yeshua's Last Supper with His Disciples as He instructed?

### **Trumpets, Traditions and the Babylonian Effect (Hardcover)**

During the Babylonian captivity, the Jews were influenced by Babylonian worship just as when they were in Egypt they adopted the worship of the Egyptians. Babylon especially influenced the Jews so much so that the most religious document in Jewish life is titled the "Babylonian Talmud". In this teaching, Arthur points out the man-made traditions and the various effects Babylon had on modern day Judaism and the importance of exalting the Word of YeHoVaH over the traditions of men.

### **Understanding Grace (Hardcover)**

Did you know that Yeshua never mentions the word Grace in the gospels or in the prophetic book of Revelation? The way the term grace has been used by those in Christian circles has given grace a bad name amongst Messianic and Hebrew Roots believers. Many Christians have used the doctrine of grace as a license to sin. However, when grace is used in the Biblical context it is truly a beautiful gift from YeHoVaH.

### **What About Grace?**

Believers in Messiah misunderstand grace, salvation, and the Law. Messiah did not do away with the Law when he was crucified. Learn why we must keep the Law for the hope of salvation and the power of the Holy Spirit who still fills Believers. Absolutely relevant and must-read teaching for people of any faith!

### **Who Is Israel? (Hardcover)**

The word Israel is used in many different contexts in Scripture. The word is used as the name of an individual, the name of a people, the name of a territory, the name of a united kingdom, the name of a divided kingdom and the name of the commonwealth. This Book reveals who is the real Israel today.

### **You Must Be Born Again**

The church world took a conversation that Yeshua had with a Pharisee at night and built powerhouse ministries teaching a Gospel message of salvation and altar calls. But what does John 3:16 really teach within the context that it is written? Like many other Biblical passages, this much-quoted verse is preached in a manner that has become isolated from the context in which it was originally written.
